

# Safety & Security Measures

## Ensuring a Safe, Secure and Healthy Learning Environment

At **PUBLIC MONTESSORI SENIOR SECONDARY SCHOOL, PIPAR CITY** the safety and well-being of every student is our highest priority. We are committed to providing a secure, disciplined, and child-friendly campus that enables students to learn and grow with confidence. The school has implemented comprehensive safety and security measures in accordance with CBSE guidelines and applicable government norms.

### CCTV Surveillance

- The entire school campus is monitored through a high-definition CCTV surveillance system.
- CCTV cameras are strategically installed at all key locations, including entry and exit gates, corridors, staircases, playgrounds, parking areas, and other common spaces.
- Continuous monitoring helps maintain discipline, enhance security, and ensure prompt response to any untoward incident.
- CCTV recordings are securely maintained for future reference as per school policy.

### Campus Security

- The school premises are protected by trained security personnel during school hours.
- Visitors are required to register at the main gate and obtain permission before entering the campus.
- Student entry and exit are carefully monitored to ensure safe movement.
- Unauthorized access to the school campus is strictly prohibited.

### Student Safety Measures

- Safe and disciplined school environment with continuous staff supervision.
- Regular safety awareness sessions and student orientation programmes.
- Child protection measures implemented in accordance with CBSE guidelines.
- Strict monitoring during recess, dispersal, school events, and outdoor activities.

### Fire Safety

- The school is equipped with fire extinguishers and other fire safety equipment installed at appropriate locations.
- Fire safety systems are regularly inspected and maintained.
- Fire evacuation plans are displayed prominently throughout the campus.
- Mock fire drills are conducted periodically to familiarize students and staff with emergency evacuation procedures.

### Health & Emergency Preparedness

- A well-equipped First Aid facility is available on the school campus.
- Trained staff members are available to provide immediate first aid during emergencies.
- Emergency contact numbers are displayed at prominent locations.
- The school maintains coordination with nearby healthcare facilities for medical emergencies.

### Disaster Management & Emergency Response

- The school has a Disaster Management Plan for handling emergencies such as fire, earthquake, and other unforeseen situations.
- Regular emergency preparedness drills are conducted.
- Staff members receive training on emergency response and student evacuation procedures.

### Child Protection Policy

The school follows a strict Child Protection Policy to ensure every student learns in a safe, respectful, and inclusive environment. All staff members are expected to uphold the highest standards of professional conduct, and any form of bullying, harassment, discrimination, or abuse is dealt with promptly and in accordance with CBSE norms.

### Our Commitment

We continuously review and strengthen our safety and security systems to provide a secure learning environment where every child feels protected, respected, and encouraged to achieve academic and personal excellence.
